

Civility Policy

BP1313

1. Members of Wiseburn School District staff will treat parents and other members of the public with respect and expect the same in return. The District is committed to maintaining orderly educational and administrative processes in keeping schools and administrative offices free from disruptions and preventing unauthorized persons from entering school/district grounds.

This policy promotes mutual respect, civility and orderly conduct among District employees, parents and the public. This policy is not intended to deprive any person of his/her right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe, harassment-free workplace for our students and staff. In the interest of presenting District employees as positive role models to the children of this District, as well as the community, the Wiseburn School District encourages positive communication and discourages volatile, hostile or aggressive actions. The District seeks public cooperation with this endeavor.

Disruptions

1. Any individual who disrupts or threatens to disrupt school/office operations, threatens the health and safety of students or staff, willfully causes property damage; uses loud and/or offensive language which could provoke a violent reaction; or who has otherwise established a continued pattern of unauthorized entry on District property, will be directed to leave the school or District property promptly by the Superintendent, principal or designee.

2. If any member of the public uses obscenities or communicates in verbal or written language in a demanding, loud, insulting and/or demeaning manner, the administrator or employee to whom the remarks are directed will calmly and politely admonish the speaker to communicate civilly. If corrective action is not taken by the abusing party, the District employee will verbally notify the abusing party that his/her participation in the meeting, conference or telephone conversation is terminated and, if the meeting or conference is on District premises, the offending person will be directed to leave promptly.

3. When an individual is directed to leave under circumstances outlined in paragraphs 1 or 2, the Superintendent, principal or designee shall inform the person that he/she will be guilty of a misdemeanor in accordance with California Education Code 44811 and Penal Codes 415.5 and 626.7 if he/she reenters any District facility within 30 days after being directed to leave, or within seven days if the person is a parent/guardian of a student attending that school. If an individual refuses to leave upon request or returns before the applicable period of time, the Superintendent, principal or designee may notify law enforcement officials (CF 5131.4 Campus disturbance) (CF. 9323 Meeting Conduct).

Safety and Security

1. The Superintendent or designee will ensure that a safety and/or crisis intervention techniques program is provided in order to raise awareness on how to deal with these situations if and when they occur.

2. When violence is directed against an employee, or theft against property, employees shall promptly report the occurrence to their principal or supervisor and complete an Incident Report.

3. An employee whose person or property is injured or damaged by willful misconduct of a student may ask the District to pursue legal action against the student or the student=s parent/guardian.

Documentation

1. When it is determined by staff that a member of the public is in the process of violating the provisions of this policy, an effort should be made by staff to provide a written copy of this policy, including applicable code provisions, at the time of occurrence.
2. Following any violation of the provisions of this policy, the employee will immediately notify his/her supervisor and provide a report of the incident on the form provided by the District.
